

REMARKS

Very thanks for Examination's suggestion and thanks for finding some citations about the present invention, thereby, the applicant may know more information about the invention. This case has been carefully reviewed and analyzed in view of the office action.

Indeed the citations disclose some features of the present invention, and the applicant agrees with these viewpoints, however applicant discovers that some features of the present invention are not wholly disclosed by the citations, which are claimed in the original specifications and especially drawings.

Since in the office action, claim 3 is allowed and thus applicant decides to cancel Claims 1 to 2 and 4 to 7, without prejudice or disclaimer of the subject matter thereof. The original claim 3 is remained without any amend. Thereby, it is assured that the new claims are based on the original claims and thus no new matter is added.

It is now believed that the subject Patent Application has been placed in condition for allowance, and such action is respectively requested.

Respectfully submitted.
